Pope's Intention for November: For the proper use of wealth, that not succumbing to the temptation of selfishness, it may always be put at the service of the common good and solidarity of those who have less.
Readings this Weekend: All Saints. We venerate the Saints to give glory to God, and so that we might imitate their sanctity, so that we too might be holy. The Saints are one of the ways we get to know God, through faith.

Reflection: All souls. Belief in the resurrection of the dead is an essential part of Christian revelation. It implies a particular understanding of the ineluctable mystery of death.
A thought: Death is the end of earthly life, but not of our existence since the soul is immortal.
