**Use of Churches** Churches are consecrated spaces. Their walls and altar have been anointed with the sacred Oil of Chrism. They have been set apart and dedicated solely for prayer, worship, the celebration of the sacraments and sacred rituals along with the safekeeping of the Eucharistic presence of Jesus among us. They are sacred spaces unlike any other. They stand as a unique reminder that God is with us and walks with us on the journey of life. In order to safeguard and emphasise the sacredness of our church buildings, Universal Church Norms and Clonfert Diocesan Norms do not permit churches to be used for: Non-religious concerts, performances or exhibitions

Non-religious talks, seminars, social gatherings or functions The serving of food or beverages. Wakes or the reposing of the dead.

**The Diocese of Clonfert** is open to working with Parish Pastoral Councils and Parish Finance Committees to facilitate the use or improvement of parish halls or other parish owned buildings to accommodate non religious activities or to discuss the de - consecration of churches surplus to current requirements so that they might be used for other than religious purposes.
